## About Us

- Six Sigma Quality International is an eminent certification providing enterprise. Our company is backed by the experience and expertise of a highly skilled and qualified team that has acquired mastery over various Certification Services, Export Certifications, Export Certification to the Russian Federation and its various countries, Green Rating Certifications, ISO Certifications, Management services & TPI and Auditor Training Programmes.

Since 1999 we have been serving innumerable customers globally with our continued efforts in maintaining the integrity and credibility of the certification system and procedures. We follow very strong core principles of customer satisfaction with honesty and integrity. Apart from that, we have resources and skills that are very valuable in the market and this has given us the edge to move ahead of others in the industry.

With our services, we offer various organizations competitive and independent assessments and registration services that enable them to conduct business smoothly and without any of the undue hassles that come with it. We offer very client-friendly services that have helped us occupy the number one slot in the industry.
